St. Clair Shores Unified's boys hockey team was impressive both offensively and defensively over its last two games.

All that good play on both ends equaled a Lakers title at their own tournament after beating Monroe, 5-1, Tuesday at St. Clair Shores Civic Arena.

"I'm very happy," said Lakers coach Russ DiCristofaro, whose squad is 7-1-1 overall. "We've overcome a lot of injuries early on. We've played over it and have just kept rolling."

St. Clair Shores outscored its opponents 9-1 in the two games.

Michael DiFranco and Tommy Guzzardo each scored twice, one each on the power play, while Joe Vitale added a goal and two assists.
